

Administrative Litigation

Joseph, Greenwald & Laake's attorneys routinely appear in a wide variety of administrative forums to assert and protect the rights of the Firm's clients. The administrative areas in which the Firm's attorneys have practiced are too numerous to list. Whether seeking or defending a professional license, challenging an action taken by the government or an insurer, or protecting your employment rights, the Firm can assist you.

If you have a case which will be decided internally in a corporate atmosphere or before a quasi-judicial tribunal like the Office of Administrative Hearings, our attorneys have the experience and skill to help.
