

Arbitration and Mediation

Joseph, Greenwald & Laake represents individuals and businesses when submitting disputes to arbitration or mediation.

Arbitration is an alternative dispute resolution procedure which is ideally more cost effective and faster than resort to the courts. The decision of an arbitrator is usually final with very limited opportunities to appeal.

Mediation is a non-binding effort to resolve disputes with the assistance of a mediator with the skill and training necessary to bring the parties to an agreed resolution.

The Firm's lawyers have appeared before all major arbitration tribunals and have represented clients in hundreds of mediations.
