[Timothy Maloney Named a Top Lawyer by Washingtonian Magazine](#)

November 30, 2017

JGL principal attorney Timothy Maloney has been named one of the top lawyers in the Washington D.C. area by *Washingtonian* magazine. The “Top Lawyers” list, which comes out every two years, appears in the December 2017 issue of the magazine.

Tim is a preeminent trial lawyer who has obtained millions of dollars in recoveries for his clients in a wide variety of complex matters, including civil rights, employment discrimination, whistleblower actions, and high-stakes business litigation. He is a “go-to” lawyer who clients rely upon for some of the most difficult and challenging cases, and he has successfully taken on the government in numerous police misconduct and criminal defense cases.

Tim frequently speaks and writes on significant legal developments, and gives legal education presentations to Maryland lawyers on topics such as the rights of incarcerated people and employment litigation in federal court.

All of our attorneys, and the entire JGL community, are proud of Tim for this impressive accomplishment.
