

# Business Tax Planning

There are few law firms in the region that inspire the degree of confidence among business owners than JGL's Business Tax Planning team. We advise on all facets of local, state, and federal tax law. We defend your rights in the face of an IRS audit.

## **How Our Business Tax Planning Attorneys Can Assist You**

Our depth of experience is manifest in leveraging the tax aspects of:

- **Labor and employment** matters, such as human resource management, retirement benefits, and executive compensation
- Entity selection for new and existing businesses, including C-corporations, S-corporations, LLCs, and partnerships
- Asset sales, 1031 property exchanges, and deductions
- Mergers, acquisitions, and dispositions
- Succession planning and exit strategies

## **Consult a Business Tax Planning Attorney**

Our attorneys will advise you on how your business can be best positioned to take advantage of existing tax laws and respond to new ones.
