

Insurance Litigation

You assume your insurance company will act in good faith and provide the coverage you purchased and need. Unfortunately, this is not always the case. JGL defends the rights of individuals and businesses faced with insurance coverage disputes.

Many times, insurance companies will deny, reduce, and delay paying out on claims. We know how to take on and litigate against insurance companies that deny your rightful coverage, breach your insurance contract, or act in bad faith. If you are having difficulty obtaining the coverage you purchased, we will help. We hold insurance companies accountable in and out of court.
