Professional License Defense

JGL defends professionals, including doctors, lawyers, and accountants, involved in administrative litigation and appeals before professional license boards. We defend allegations of ethical and professional standards violations, incompetence, fraud, and misrepresentation.

There are certain procedures and time limits involving professional licensure. We know these protocols inside and out and provide you with the advocacy you require to secure and maintain your professional license. Our experience includes:

- Investigating and obtaining early dismissal/resolution of the case
- Fighting prosecutors following issues charges
- Representing you during the hearing and throughout the case resolution conference or summary suspension hearing
