

## Criminal Appeals

If you or a family member were convicted of a crime, JGL has substantial experience representing individuals appealing their criminal convictions.

Attorneys at JGL have convinced appellate courts to reverse criminal convictions to ensure people charged with a crime have a fair trial. JGL will help you navigate the criminal appeals process, inform you of your rights, prepare the strongest brief possible, and argue the case in the appellate court.

### **Consult an Appellate Attorney**

JGL has one of the most successful and experienced appellate practices in the region.
