Probate

When your loved one dies, JGL attorneys will guide you through all related probate law issues and Probate Court proceedings, including probating the will and appointment of the personal representative (executor).

We clearly communicate the pros and cons of the options and tax elections available to you and assist you in analyzing and balancing the issues and options associated with probate administration. We prepare court and tax filings, including estate, gift, and generation-skipping transfer tax returns, and we assist in the defense of such returns in the event of an IRS audit. And, if you prefer, we can work seamlessly with your existing tax preparer and/or financial advisor. Our lawyers bring the probate law and litigation experience needed to effectively communicate and guide you through the probate process from start to finish.
