

Auto Accidents

JGL attorneys fight for the rights of automobile accident victims. If you have been injured in an auto accident, and it was the fault of another, you are entitled to fair and just compensation.

More than ever, insurance companies seek to avoid or reduce payment when faced with a claim. We encourage you and your family to contact us immediately, before making statements, signing releases, or accepting an inadequate or unjust settlement.

We know the stress you are experiencing. We can help guide you as you put the pieces back together after suffering injuries from an auto accident. Depend on us to address the legalities involving police, healthcare providers, and vehicle replacement. As needed, we have also advocated for:

- Ongoing therapy and counseling
- Medical equipment and home renovations for the disabled
- Compensation for decreased and/or eliminated earnings
- Psychological trauma, including pain and suffering
