Professional Negligence

Most professions, including law, medicine, architecture, accounting, engineering, insurance, and pharmacy, subscribe to high standards of care to ensure you are protected from harm. Unfortunately, not all professionals adhere to the requirements of their profession, which can result in loss, harm and suffering.

JGL litigators aggressively pursue professional malpractice misconduct-related damage claims. We are formidable in and out of court when fighting for your rights connected to any form of professional malpractice. We resolve even the most complex disputes, a sampling of which includes:

- Legal malpractice
- Medical malpractice
- Accounting malpractice
- Fraud and incompetence
- Improper or unethical conduct
- Breach of fiduciary duty
- Theft of client property
- Illegal fee agreements
- Engineering failure
