David Bulitt, Attorney at Law

Awarded as a Leader in Law for Alternative Dispute Resolution by the Maryland State Bar Association in 2023, David Bulitt is a nationally-recognized family law specialist who advocates for his clients' best interests with the same fervor he would want someone to fight for his. A skilled mediator and litigator with extensive knowledge of divorce's impact on special needs children, Bulitt is not afraid to think outside the box and is often appointed by local courts to mediate high-conflict custody and financial disputes.

Married to a family therapist and a father of four daughters, Bulitt brings unique perspective to every client's case. He and wife Julie's second book, *Secrets of Strong Couples*, is scheduled for release on July 11, 2023. Their award-winning first book, *The Five Core Conversations for Couples*, was published in 2020.
